FROM THE PRINCIPAL

CLIFTON ELEMENTARY'S THIRD ONE AUTHOR/ONE SCHOOL KICKOFF!!!!

Our featured author is: Kate DiCamillo.

All K-5 Clifton Elementary students will receive a FREE copy of a Kate DiCamillo book and will be reading it together in class. Bring the family and enjoy the free crafts and activities we have planned for our One Author/One School kick-off!

- ★ When: Friday, November 30th
- ★ Time: 5:30-7:00 p.m.
- ★ Where: Several classrooms will have a variety of fun-filled activities that support the themes found in the following books by Kate DiCamillo: *Bink & Gollie*, *Two for One*; *Because of Winn-Dixie*, *Where Are You Going Baby Lincoln*, *Miraculous Adventure of Edward Tulane*, and *Mercy Watson to the Rescue*.

Come support our third One Author/One School night. It is going to be lots of fun!!!

FROM THE HEALTH OFFICE

Influenza or “the Flu” is a respiratory illness that is contagious. It is a virus that is spread by droplets when a person coughs, sneezes, or talks.

Signs and symptoms of the flu **may include:** fever or feeling feverish, chills, cough, sore throat, muscle or body aches, headaches, runny or stuffy nose, feeling very tired, vomiting or diarrhea (more common in children).

A person may be contagious before they know they are sick. According to the Centers for Disease Control and Prevention (CDC), a person may spread the flu virus one day before they begin to have symptoms and up to five to seven days after they become sick. This is why washing hands is so important!

Ways to prevent the flu include a yearly flu vaccine, frequent handwashing, staying away from people that are sick and covering cough and sneezes.

If your child should develop flu-like symptoms, it is important they stay hydrated by drinking fluids and get plenty of rest. If you should have any questions or concerns, contact their healthcare provider. During this time, your child should stay home and rest. They should not return to school until they have been fever free for 24 hours without fever-reducing medication.

For more information about the flu contact your child’s primary care provider or go online to:

www.cdc.gov/flu

Thank you,
Lorena Perez, Health Assistant &
Sheila Polhamus, R.N.
